## Soft Coal Wage Talks May Last Over Six Weeks

Operator Indicates New Agreement Not Expected Until End Of July

### MONTH LONG STRIKE MAY BE DEVELOPED

By PHILIP J. PECK  
(I. N. S. Staff Correspondent)

**WHITE SULPHUR**  
Springs, W. Va., June 24.—An industry representative estimated today that soft coal wage talks may continue for six weeks before a new 1949 mine contract is negotiated.

The operator, who declined to be identified, indicated that he did not expect a new agreement with the United Mine Workers union until about the end of July.

This does not mean, however, that UMW President John L. Lewis and Northern and Western operators will be in continuous session for the next six weeks trying to bargain out a contract to replace the present pact expiring June 30.

#### May Start Strike

Rather, Lewis' 400,000 bituminous diggers may start a month long strike next week and the contract negotiators will meet only intermittently during the shutdown until one side or the other gives in.

In the first closed-door pow-wow of the so-called "national bituminous wage conference," Lewis told the Northern and Western owners he wanted to discuss increased wages, a shorter work week and improvements in the miners' welfare fund.

The operators replied that they wanted to discuss the economic plight of the coal industry—shrinking markets and falling prices. Economic conditions in the industry are such that many operators will welcome a month's mining shutdown to stabilize the market. Some feel that Lewis will be "lucky" if he retains the benefits of the present contract in a new 1949 agreement.

#### Hopes To Draft Pattern

Lewis apparently hopes to draft the pattern-setting contract for the whole coal industry here in White Sulphur Springs. He already is bargaining with Northern and Western owners representing 240 million tons of production annually and another 100 million "missing" tons have been invited to the party.

In addition the UMW chief is holding separate talks with Harry M. Moses concerning a new agreement for U. S. Steel's mines producing 27 million tons. Other steel

## U. S. Will Maintain Firm Policy Against Communism Spread

By JOHN A. REICHMANN  
(I. N. S. Staff Correspondent)

WASHINGTON, June 24.—The United States is determined today to maintain its firm policy against the spread of communism.

This determination has been emphasized by Secretary of State Acheson since his return from the Paris Big Four Foreign Ministers' conference.

In his appearances before the Senate Foreign Relations committee and the House Foreign Affairs committee, Acheson has used the limited agreements reached in Paris to point out:

#### Cites Needs

1. The Senate must ratify the North Atlantic Pact at this session. 2. Congress must approve the one billion \$320 million dollar rearmament of Europe program to maintain the gains already made.

## Washington Has Three-Alarm Fire

### Southern Section Of City Has Narrow Escape From Blast Disaster

WASHINGTON, June 24.—(INS)—The entire southern section of the nation's capital missed being blown up by a mere six feet early today when a three-alarm fire swept through a warehouse at the secrecy cloaked Naval Research Laboratory.

The blaze destroyed a large chemical store and came within that short distance of a munitions magazine which contained enough explosives to wipe out all of south Washington.

#### Marines On Guard

Marines with drawn pistols kept all civilians except the district fire department from entering the laboratory where secret radar and atom experiments reportedly are conducted. Not even metropolitan police officers were admitted.

Navy forces at the laboratory at first sought to control the fire which apparently originated on the first floor of the two-story concrete building close to the edge of the Potomac at the southwest end of the research establishment.

#### Summon Aid

But when the flames broke through the roof of the warehouse, periling the ammunition dump, they were forced to summon outside reinforcements from the civilian fire department.

Navy spokesmen were taciturn about the blaze which started about 3 a. m., and was brought under control about an hour later. They said only that the warehouse contained chemicals and would not reveal the nature of the explosives in the munitions magazine.

Despite the various bans on sale and use of fireworks in this locality, reports are made to Pa Newe that considerable use of fireworks occurs here in various parts of the city. State and city laws prohibit use or sale of fireworks.

One week from today, and July makes its entrance. On the following Monday comes the Fourth. While no organized celebration is planned on the holiday in New Castle, two county localities, Bessemer and Volant, are arranging for special celebrations.

Wheat harvests is getting under way unusually early this season, Pa Newe believes. On two farms in the Enon Valley area of the county two fields were noted on Thursday where wheat cutting is under way. One field was being cut with a combine, while the other was being done in the old-fashioned harvesting plan.

### Woman Is Killed, Daughter Hurt In Turnpike Crash

CARLISLE, Pa., June 24.—(INS)—Mrs. Ruth Benton, of New Haven, Conn., was killed instantly today when her automobile crashed into the rear of a tractor-trailer truck on the Pennsylvania Turnpike two miles west of Kittatinny Tunnel.

A daughter, Virginia, 25, who was asleep in the rear seat as her mother drove, was rushed to the Carlisle hospital with possible fractures of the skull and jaw.

Cumberland County Coroner E. A. Haegle said Mrs. Benton "probably" fell asleep at the wheel before the crash. He said she died of internal injuries.

William O. Bower, of Worthington, Pa., the truck driver, escaped injury.

Statistics for the same date a year ago follow:

Maximum temperature, 95.

Minimum temperature, 76.

No precipitation.

### Seventeen Cars Piled Up In Danville, Ohio, Wreck

DANVILLE, OHIO—Derailment of a Pennsylvania Railroad diesel freight train at a crossing here Thursday caused this 17-car pile up which smashed a telegraphers shack and injured a 10-year-old girl who was standing beside the building with her mother. Railroad officials said the wreck apparently was caused by a mechanical defect in the first freight car to leave the tracks, wrecking 17 of the cars of the 59.

## May Ask Bids For Route 422 In Short Time

Possibility Work On Route 422 East Of City May Start This Summer

### NO DEFINITE STATEMENT YET

There appears to be a possibility that construction of Highway 422 from New Castle to the Butler County line may be started this year.

No official announcement has been made to this effect, Captain Roger W. Rowland said today, but the indications point to the possibility of the road being advertised reasonably soon, thus permitting grading to be done yet this summer and fall.

**Bright Possibility**

"I have received no official statement from the highway department as yet," said Captain Rowland, "but I believe the bids will be advertised in the near future, thus permitting grading to start yet this year."

The survey for the new stretch of highway was made over a year ago by the Michael Baker Associates. Plans were prepared and it was thought early in the spring that the bids would be advertised.

Later the highway department said it would not be possible to build the highway this year. Since then there have been some developments that may lead to the start of the construction this year.

Had the bids been let earlier in the year, only the grading and building of culverts and bridges would have been done this year. The policy of the highway in such a major operation is to let the fills settle over the winter. The following year concrete is poured. This was done in the case of the

## To Remove Trees From Court Lawn

Tree Experts Find Some Seven That Are Unsafe—Will Be Replaced With Others

### OTHER EVENTS IN COURT HOUSE

Sometime in the near future some seven trees will be removed from the court house lawn, all of them unsound.

A tree expert examined the trees on Wednesday and found the seven are in bad shape and could be a hazard in a storm. The commissioners will likely have them removed and have them replaced.

The suggestion has been made that in replacing the trees, the commissioners should get away from maples and elms. There are plenty of both on the grounds now.

Pennsylvania has so many magnificent trees that it seems a shame to confine the list to maples and elms. Pin oak, beech, laurel oak, cucumber, larch, and it would be fitting if one specimen of the official Pennsylvania tree were used, a hemlock.

Properly selected now, the trees to be planted would make beauty spot of the court house lawn in ten years.

### BAR ASSOCIATION MEETING

The Lawrence County Bar association will be represented at the annual meeting of the Pennsylvania Bar at Bedford Springs June 28-29-30 and July 1. Judge W. Walter Graham will attend as will District Attorney Leroy K.

**ASK PROPERTY RETURN**

Before Judge W. Walter Graham on Wednesday the petition of Juannino DeFonzo for the return of a home and \$700 cash was heard. Mrs. DeFonzo is an aged woman, unable to read or write English. She claims that on January 2, 1948, she signed a paper she thought to be a will. Later she claims she found it was a deed for her home on Home street to Joseph A. and Rose M. Ross.

She claims also that she gave them \$700 in cash. She asks the return of the deed to the property and an accounting of the money.

**SALARY INCREASES**

Seems as though county commissioners have come a long way in the matter of salaries.

Back in 1863 the county commissioners of this county received \$2 per day, according to some old records. County Controller Andrew M. Dodds has dug up.

It also would appear that the commissioners were rather restricted in their spending. One board of commissioners was charged \$55 for coal purchased to heat the offices of the sheriff and the prothonotary and the register and recorder.

The auditors said they found no authority for such expenditures. Apparently the officers being on fire they were expected to pay for their own heat.

**Educators' Workshop At Slippery Rock**

Secondary Schools From Five Counties To Be Represented At Two-Day Conference

Educators from midwestern Pennsylvania will take an active part in the program of the Slippery Rock Secondary Education Workshop for teachers, supervisors and administrators at Slippery Rock State Teachers college June 27 and 28.

Senior high school principal Clare B. Book, a member of the steering committee for the workshop, reported today the Dr. John Mogart of Pittsburgh, Dr. Laversia Powers, will head the study of developing and incorporating a program of life adjustment education in the secondary schools.

Arthur Kelly of Penn township, Allegheny county, and Dr. Louis E. Rath, center for research and evaluation, school of education, New York university, will direct a study of improvement of teacher education.

**Analyze Salaries**

The committee to analyze current research and practice of teacher rating as related to salaries and increments will be headed by Dr. Fred Essig, assistant superintendent of schools, Youngstown O., and Mrs. Betty Glass Beading, Penn township, Allegheny county.

Dr. Dale W. Houk, president of Slippery Rock State Teachers, and Miss Jane Cort, librarian of Slippery Rock State Teachers college, will head the group studying the problem of factors which contribute to effective group study and discussion.

Mr. Book points out that the Slippery Rock Workshop is for secondary school educators in the five counties of midwestern Pennsylvania.

The Slippery Rock conference is one of 12 sponsored in the state this summer by the Pennsylvania branch of the National Association of Secondary School Principals in cooperation with the Pennsylvania State Education Association and the National Education Association.

## SEINKNER-FRENGEL MARRIAGE NEWS

Mr. and Mrs. Joseph Frengel, Jr., will reside at 803 North Mercer street in their newly furnished apartment following a wedding trip to New York, Washington, D. C., and other scenic points. Mrs. Frengel, the former Rita Louise Seinkner, is the daughter of Mrs. Sue Seinkner, 110 Terrace avenue, and the bridegroom is the son of Mr. and Mrs. Joseph Frengel, Sr., 1818 Moravia street.

The young couple was united in marriage at a ceremony performed Saturday, June 18, at 10:30 a. m. in St. Michael's church.

Rev. Fr. Pisarek officiated at the double ring ceremony before an appropriately decorated altar.

The bride, given in marriage by her uncle, Steve Seinkner, was attired in a white sheer marquisette gown, fashioned with a net yoke edged with ruffles, fitted bodice and long sleeves.

The full sheer skirt over hooped taffeta revealed long ruffled bridal lace scallops. Her fingertip veil fell from a cap of bridal lace trimmed with pearlized orange blossoms and her only ornament was a rhinestone necklace.

Her bridal bouquet consisted of white lilies centered with an orchid and showered with baby mums.

Maid of honor Miss Margaret Capielec of Struthers, O., a cousin of the bride, was gowned in sheer blue nylon and carried red roses.

Bridesmaid, Elizabeth Mihok also a cousin, wore a yellow sheer gown styled similarly to the honor maid's. She carried yellow roses.

Robert McLitrot, cousin of the groom, was best man and John Seinkner, brother of the bride, was usher.

Following the ceremony, a wedding breakfast was held at the home of the bride's mother and dinner was served at a local dining room.

The evening reception was held at Falcon hall for approximately 200 guests.

Mrs. Frengel is employed at the Shenango Pottery as a decorator and Mr. Frengel is affiliated with the Frengel Motor Truck Co.

The next club meeting will be on July 13 at the home of Mrs. Ralph Leonard, 108 Euclid avenue.

Mr. and Mrs. Charles Lees, Mr. and Mrs. Dean Lewis and Mr. and Mrs. David Tomkins were responsible for the delightful outing.

Walter Grannis, president, appointed Mr. and Mrs. Harry Loy Mr. and Mrs. Gomer Lewis and Mr. and Mrs. James Dight to plan another picnic for Thursday evening, July 28.

## PLAN OBSERVANCE OF ANNIVERSARY

Forty five years of married life will be celebrated by Mr. and Mrs. Stanley Korab on Saturday night, June 25, when a reception will be held in the Slovak hall on Mora- via street.

The reception will be unique in that five generations will be represented. Mrs. Korab's mother, Mrs. Theodora Dawson of the Harbor road, now 88 years of age, will be there for the event, as will children, grandchildren and two great-grandchildren.

Mr. and Mrs. Korab were married June 20, 1904, by Rev. Fr. Sulik, then pastor of the Church of the Madonna. They have been residents of New Castle since. They reside at 1426 South Jefferson street.

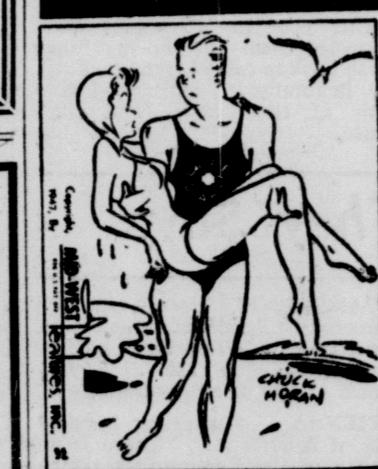

The reception, which is being held by the children, will be attended by many friends and relatives. There are ten children living out of 12 born to the couple, 16 grandchildren and two great-grandchildren.

Bridal Attendants Named

Miss June Olacz, daughter of Mrs. Pete Olacz, 1213 Cascade street, and Andrew P. ## GUEST DAY ENJOYED

### AT COUNTRY CLUB

Thursday morning 85 lady golfers teed off at eight o'clock and played until noon at the New Castle Country club ladies invitation day. The day proved a large success.

Winners in the field were: low gross, Mrs. Tucker Nolan, of New Castle; low net, Mrs. L. Dilley, of Greenville, and Mrs. William Horner, of New Castle.

The young couple was united in marriage at a ceremony performed Saturday, June 18, at 10:30 a. m. in St. Michael's church.

Rev. Fr. Pisarek officiated at the double ring ceremony before an appropriately decorated altar.

The bride, given in marriage by her uncle, Steve Seinkner, was attired in a white sheer marquisette gown, fashioned with a net yoke edged with ruffles, fitted bodice and long sleeves.

The full sheer skirt over hooped taffeta revealed long ruffled bridal lace scallops. Her fingertip veil fell from a cap of bridal lace trimmed with pearlized orange blossoms and her only ornament was a rhinestone necklace.

Her bridal bouquet consisted of white lilies centered with an orchid and showered with baby mums.

## Volant Lions Complete Plans For Celebration

### Fourth Of July Program At Volant Provides Day And Evening Entertainment

Volant Lions club members have completed plans for a bigger and better annual Fourth of July celebration to be held at the athletic field in Volant, all day and evening of the Fourth.

The Lions club invites all to come and bring their friends to spend a safe and sane Fourth in Volant. Picnic tables will be available. Bring baskets if you wish.

#### Continuous Program

A continuous program has been planned for day and evening. Ball games, contests, good music and other entertainment will be provided for everybody's enjoyment.

The first ball game, between Volant and Brent, will begin at 1:30, followed by games in the new pavilion. The second game will be played at 5:30, when the home team meets the colored team of Farrel.

Refreshment stands will be on the field, where all can be served. The afternoon and evening programs will be climaxized by a fireworks display at 10 p. m.

Lion President Hillard and his "zoo" boys expect to top last year's record attendance, and preparations have been made to handle a larger crowd.

### REPORT CHINA PLANS APPEAL FOR U. S. AID

Nationalist soldiers can be given their back pay, possibly with American silver.

He is expected to urge that what is left of the 125 million dollar loan voted by Congress for Chinese aid be unfrozen immediately and that ECA allotments to China be stepped up.

Gen. Jen, an expert on armaments, will presumably be in a position to discuss with American authorities the current military situation and China's munitions requirements.

Already in Washington is Dr. Kan Chieh-Hou, personal emissary of acting Chinese President Li Tsung-Jen. Dr. Kan placed before President Truman Wednesday a secret two-phase plan aimed at stopping the Communist drive.

The plan calls for National defense of Western and Southern China, which are still holding out against the Communists.

There will be no service Saturday night. The final service of the week will be Sunday, June 26. At eleven o'clock, Bishop Lloyd C. Wicks will deliver the dedication service. At four in the afternoon Dr. Samuel L. Maxwell, a former pastor will conduct a vesper service.

### NATION'S ECONOMY WILL BE COVERED IN HIS MESSAGE

(Continued from Page One)

"soft" industries where production is catching up with demand.

4. The nation's economy has changed from a "seller's" market, caused by the scarcities of wartime, to a "buyer's" market. This is considered a sound development in the nation's economy.

5. The nation's economic structure is sound, and nothing approaching a depression such as the nation experienced in the early thirties is believed now possible.

#### Will Present Data

The president will cite figures and statistical data gleaned from exhaustive surveys of the industrial, farm and banking structure of the country to support his contention that the nation is in sound shape, and that the future provides an optimistic rather than pessimistic viewpoint.

At the same time, he is expected to renew his request for some of the controls he asked of Congress in his annual State of the Union message last January.

These controls he envisioned to protect the nation against deflation. He said at that time that governmental powers are as necessary to safeguard against depression as they are to control inflation.

One of these measures is the administration's new formula for plowing floor under farm prices.

Thus far, the Congress has ignored his request for safety measures.

The administration's housing proposal for slum clearance and construction of low-cost housing units is another of the safety valves the president hopes to have approved to take up the present slack in employment.

### U. S. WILL MAINTAIN FIRM POLICY AGAINST COMMUNISM SPREAD

(Continued from Page One)

3. The 150 million dollar program for the reconstruction of Korea is essential to the halt of communism in the Far East.

Facing his first news conference since returning from Paris, Acheson emphasized that the Big Four should be regarded as a success or failure.

Four meetings should not be regarded as a success or failure.

However, under questioning by a reporter, Acheson conceded that the Paris session did represent a milestone of progress.

Acheson recalled that two years ago the then secretary of state, General George C. Marshall said that the Big Four powers would not meet again until Europe had recovered. Progress made by the United States in bringing this about, he added, had resulted in some benefit, such as the lifting of the Berlin blockade.

Hiss also denied that he had ever given Chambers or any other unauthorized person any confidential government documents of any kind. But he offered no explanation of how Chambers got the Memoranda produced in court.

### Deaths Of The Day

#### Infant Thomas Warden

Thomas Eugene Warden, 13-day-old son of Thomas and Helen Gwin Warden, of North Beaver township, died Thursday at 4:15 p. m. in the Jameson Memorial hospital. The infant was born June 10, in New Castle.

Survivors besides his parents are his grandparents, Mr. and Mrs. Loy E. Gwin and Mr. and Mrs. Thomas Warden, all of North Beaver township.

His great-grandmother, Mrs. Harvey W. Sipe, was buried this afternoon.

Funeral services for the infant were conducted today at 2 p. m. from Mt. Jackson U. P. church with Rev. James A. Crawford officiating.

Interment took place in Belmont cemetery, Youngstown, Ohio.

#### David L. Yoho

David L. Yoho, aged 65, of New Castle, R.D. 8, died Thursday at 9 p. m. at his home, where he had been confined for the past year by an illness due to complications.

Born April 28, 1884, in Lawrence county, he was a son of James and Christians Newton Yoho. All of his life was lived in this county. Mr. Yoho, a member of First Baptist church, was a brick and stone-mason by trade.

Survivors are: his widow, the former Gertrude Frey; two children, Mrs. Mildred Heinemann, of New Castle, R.D. 8, and Howard Yoho, of Mercer; three brothers, John M. Yoho, of New Wilmington; Albert E. and Walter S. Yoho, both of this city; four grandchildren, and a step-son, Jerome Boyd, of New Castle, R.D. 8.

Rev. Oliver W. Hurst, of First Baptist church, will officiate at funeral services Sunday at 2:30 p. m. from the R. L. Boyd funeral home, 209 North Jefferson street, where friends may call today from 7 to 9 p. m. and Saturday from 2 to 4 and 7 to 9 p. m.

#### William G. Grundy

William George Grundy, aged 82 years, of Volant R. D. 2, died today at 5:30 a. m. at the home of his son, Albert Grundy, 426 Emporium street, this city, after an illness of complications due to advanced age.

He was the son of James and Mary Grunau Grundy and lived all of his life in Mercer and Lawrence counties. Mr. Grundy, a member of Nazareth Methodist church, was a retired miner, having worked in the Leesburg mine.

Survivors are: three children, Mrs. Violet Johnson of Virgintown, W. Va.; Albert Grundy of New Castle and Leroy Grundy of Volant; eight grandchildren and ten great-grandchildren.

His wife, Mary Grundy, died in May, 1944.

Funeral services will be conducted Sunday at 2 p. m. from the Cunningham funeral home, Leesburg, where friends may call today from 8 to 10 p. m. and Saturday from 2 to 4 and 8 to 10 p. m.

#### Keith Leroy Nye

Keith Leroy Nye, aged 39 years, of 414 Thirteenth street, Ellwood City, died suddenly in his home of a heart attack at 8 o'clock this morning. Mr. Nye had just completed his night's work at the Ellwood City Forge Co., where he was employed as a machinist, and was sitting in the kitchen of his home when stricken.

Mr. Nye was a life-long resident of the Ellwood City community. He is survived by his wife, his parents, Mr. and Mrs. Lee Nye, and four brothers, Harry, Jack, Wayne and Charles Nye, all of Ellwood City.

Arrangements for the funeral have not been completed. The body was removed to the W. D. Porter funeral home to be prepared for burial.

## Church Plans Anniversary

Eightieth Anniversary Of Mahoning Methodist Church To Be Observed

BISHOP WICKE IS AMONG SPEAKERS

BISHOP LLOYD C. WICKE

On Sunday and Monday, June 26 and 27, members and friends of the congregation of Mahoning Methodist church, seventh ward, will celebrate the eightieth anniversary of the church.

There will be services Sunday at 11 a. m., 3 p. m. and 7:45 p. m. Monday evening at 7:45 o'clock.

Sunday Program

Sunday morning the pastor, Rev. J. L. Petrie, will preach, his theme being "The Church of God". At 3 p. m. there will be an anniversary service. Rev. Petrie will give the invocation. Rev. Warren Bugbee, former pastor, scripture reading, pastoral prayer, Dr. T. H. Morris, Grove City, district superintendent. Greetings from Rev. Howard A. Redmond, pastor, Mahoningtown Presbyterian church. Anniversary sermon by Bishop Lloyd C. Wicke, resident bishop, Pittsburgh area. Benediction, Rev. Petrie.

Sunday evening there will be a musical program at 7:45. Rev. Bugbee will have the evening prayer. Selections from the choir, directed by Mrs. Kenneth Gibson, and Mrs. Alice McClure, organist. Baritone solo, Lawrence C. Godwin; violin solo selections by Anthony Caspero, with Edwin Lewis, piano accompaniment; remarks by Dr. Morris; piano selections, Rev. Redmond; soprano solo, Miss Harriett Birk. Benediction, Rev. Redmond.

Monday Program

Monday, An Evening of Fellowship, at 7:45 o'clock. Members of the congregation and friends of the church are invited to share in an informal get-together, when the friendships of other days will be renewed and, we hope, new friendships begin.

Mrs. Kenneth Gibson will lead the group in singing old songs of yesterday, and new songs of today. You will enjoy this period of "pep singing".

Former pastors will be present, including Rev. Warren A. Bugbee, now of Westfield, N. Y., and Rev. D. J. Blasdell, now pastor at Ellenton. They will not bring sermons with them for this particular evening. We are to have greetings from them and responses from laymen of our church.

A lunch will conclude the evening's festivities. The general committee desires to express a big "thank you" to all who assisted us in making the 80th anniversary celebration a success.

Church History

Until 1865, no church services were held in the village of Crosscut, later Mahoningtown, and now the seventh ward of New Castle. At this time, Ebenezer Bennet, a Methodist circuit minister, began preaching twice a month in the school house. This continued until 1867, when the Methodists taking part in the services felt they should have a church home. The leaders of this movement were Mr. and Mrs. John Balmer, Mr. and Mrs. Joseph Cox, Mrs. E. Forney, Mr. and Mrs. John Pitzer, Mrs. Margaret Pitzer and Mrs. Jane Wallace—charter members of the church.

The site chosen is the one which our church still occupies. The first church was begun in 1867 and Rev. Bennet continued to preach there until September 1869.

though never regularly appointed to this place.

Rev. D. Allen Crowl was the first pastor appointed in 1869. He conducted a great revival, whereby 35 members were added.

In 1893, during the pastorate of Rev. F. R. Peters, a brick structure was erected, dedicated in December 1893, and the last service was held in March 1912. The growth of the Sunday school and church made a new and larger structure imperative, and consequently a movement was started to secure a new building.

New Building

The events of this campaign occurred during the pastorate of Rev. R. N. Merrill. The result of the effort is the present structure.

This building was begun in the spring of 1912 and was dedicated in May 1913. Rev. S. M. Gordon was pastor at the time of the dedication. Dedication services in the morning and evening were conducted by Rev. T. R. Thoburn of Erie. At this time, the debt on the building was approximately \$18,500.

In 1910, the Ladies' Aid society started a weekly soup dinner, the proceeds from which were for the building fund of the church. This has been continued up to the present, greatly aiding the finances of the church, contributing approximately \$1,000 annually.

Sunday, May 15, 1921, the church debt was completely paid, and the mortgage burned.

In 1925, an annual observance of Joash Day was begun. The purpose of this day was to set aside funds for the upkeep of the church. This has resulted in making available for building improvements an average of \$1,000 a year. This plan is still being followed, and this fall we were able to decorate the sanctuary.

On Sunday, some may desire to have a picnic basket and eat in the dining room. Tables will be available, and a committee will also provide the coffee. This will enable some to stay for the services throughout the day.

### Two Programs

Director Anthony Caspero and the 70 members of the orchestra are busy preparing entirely new programs for each of the concerts. The selections will offer varieties of compositions to suit all musical tastes.

Included on the first program to be given on July 27, will be such favorites as the "Light Cavalry Overture" by Von Suppe and the "Emperor Waltz" by Johann Strauss, which will undoubtedly make good listening under the day.

The concerts will be given on Wednesday, July 27, and Wednesday, August 31. It will mark the first time in many years that symphonic music has been heard outdoors in New Castle and public reaction indicates that the opportunity will be appreciated.

The concerts will be given on Wednesday, July 27, and Wednesday, August 31. It will mark the first time in many years that symphonic music has been heard outdoors in New Castle and public reaction indicates that the opportunity will be appreciated.

Two Programs

Director Anthony Caspero and the 70 members of the orchestra are busy preparing entirely new programs for each of the concerts. The selections will offer varieties of compositions to suit all musical tastes.

Included on the first program to be given on July 27, will be such favorites as the "Light Cavalry Overture" by Von Suppe and the "Emperor Waltz" by Johann Strauss, which will undoubtedly make good listening under the day.

## Savoia Auxiliary Has Eleventh Year

Speaker-Entertainment Program Is  
Enjoyed At Dinner Event  
Thursday Evening

Casa Savoia Auxiliary observed their eleventh anniversary Thursday evening, the occasion proving to be very successful with guests numbering to over 250 persons. It was held in the King Humbert hall.

Rev. Fr. Vincent Bertolino, of St. Vitus church, gave the invocation. The salute to the flag was given and the National Anthem sung. The full course dinner was served on long tables, and spring flowers made up the table centerpieces. During the course of the meal, salon music was provided by local entertainers.

Toastmaster for the evening was W. F. DeCarbo. Alfonso Scarazzo was introduced as the principal speaker and his subject was on the welfare of the organization. Mrs. Scarazzo was a guest present.

Mrs. Concetta Leonardo, mother of the club, received a gift, and president, Mrs. Floyd Semione, presented her with a lovely gift.

Mrs. Leonardo responded graciously and briefly gave the history of the club.

Angelo Ginochi, president of the Casa Savoia Society also presented a gift to the Auxiliary and spoke briefly. Others who made remarks were: Mrs. Mabel Mastangelo, who was the chairman of this event, Mrs. Lucy Lerner and Mrs. Clotilda Ross. Dancing to the music of a local popular orchestra was the pastime during the remainder of the evening.

Mrs. Floyd Semione, president, thanked the chairman and following committees who helped to make the event a success: dining room—Mrs. Mabel Mastangelo, Mrs. Lucy Lerner, Mrs. C. Lombardo, Mrs. Carrie Phillips, Mrs. Alvera Punio, Mrs. Mary Berardi, Mrs. Jennie Sfreddo, Mrs. Genevieve Sarbo and Mrs. Jane MacLarelo.

Kitchen—Mrs. Clotilda Ross, Mrs. Rose Audia, Mrs. Elizabeth Cubellis, Mrs. Angelina Frasso, Mrs. Clara Colella and Mrs. Asunta Sabelli.

Officers will be elected at the Sunday afternoon meeting at 1:30 o'clock, in the club rooms.

## Around Hollywood

By FRANK NEILL  
(International News Service Staff Correspondent)

HOLLYWOOD, June 24.—A noted plastic surgeon bobs the noses of movie stars, builds up their chins and plasters down their ears—but the babes scream when he suggests an extra snip here and there to convert them into reasonable facsimiles of Hedy Lamarr.

That cramps the style of this facial architect, a genial gent named Dr. Robert Alan Franklin. Hollywood's current craze for plain Janes is getting the guy down.

The good doc complained today: "Ever since Betsy Drake hit the screen a few months ago all the sweet young things with movie hopes are refusing to let me make 'em beautiful."

**Betsy Drake Type**

"The kids keep warning that if I convert them into beauties their picture careers will be ruined. Producers and directors want more dolls like Betsy Drake—freckles, honest noses, average mouths and an open-faced look."

A few fortnights ago Doc Franklyn whittled down the schnozzola of a young actress who insisted upon looking a "teeny-weensy bit homely."

The medico, strictly a Helen of Troy man himself, shrugged: "I told her that she would be tossed out of the studio. So what happened? She was signed to a new seven-year contract."

**Trend Growing Worse**

The plastic potente said that the trend is growing steadily worse.

A bevy of beauteous babes they know wall woefully that their

faces will be ruined if they don't look like Betsy Drakes.

A steady diet of Betsy Drakes

is the convinced, will drive the single swains away from the movie houses.

You can rest your hand so that it touches North Carolina, South Carolina and Georgia at once at Ellicott's Rock, on the border of North Carolina.

## Three Girls, Youth Killed In Crash

Two Other Youths Are Injured As  
Auto Overturns Near  
Philadelphia

PHILADELPHIA, June 24.—(INS)—Three girls and a youth were killed and two youths were injured last night when their car overturned at Gladwyne, lower Merion, Twp., near Philadelphia.

The dead were Clair Shedd, Jr., 17, of Bala-Cynwyd, operator

of the car; Doris Triumbar, 14, of Seal, 18, all of West Manayunk.

The injured were Michael Carter, of Merion, son of the late newspaper writer, Boake Carter, and Herbert Kiester, 17, of Bala-Cynwyd.

Police said the small sedan, bearing the three teen-aged couples, went out of control, struck an embankment, bounced off a cable guide and then overturned.

First to reach the scene of the

accident were William and Thomas McKay, of Wilmington, Del., who were visiting in the John P. Doran estate nearby.

Police said the couple had been swimming in the Schuylkill river during the evening and were en route home when the accident occurred.

El Paso, Tex., lies less than 100 miles east of the Great Divide, which separates waters flowing into the Atlantic ocean from those flowing into the Pacific.

Recently Returned From Germany;  
Other News Notes Of New  
Wilmington

(Special to The News)  
NEW WILMINGTON, June 24.—Lt. Col. Norman Cox, local man who recently returned from a tour of duty in Germany, will speak Monday evening when the Grange entertains the Rotary and Kiwanis clubs at Grange hall.

Rotarians collected a total of \$384.60 in their Cancer Fund drive last Monday night, according to Harold Burns, chairman. It is hoped to increase the sum to \$500 by later contributions.

The Daily Vacation Bible school which has been held for the past two weeks at the Neshannock Presbyterian church, will conclude with a special service Sunday evening in the Neshannock Presbyterian church.

A demonstration and exhibition of the work carried on will be put on. The Rev. George Myers of the Methodist church, will officiate and make awards for perfect attendance.

Miss Katherine Russell, daughter of Mrs. Elmer Beecher Russell, was honored at the recent graduation exercises at Grier School for Girls, Birmingham, Pa.

Miss Russell had the highest grades in Bible study and she was awarded the citizenship prize for her outstanding work during her two years at the school.

The first of a series of teen-age dances will be held Friday evening at the park under the sponsorship of the Parent-Teacher Association. The dance schedule for last Friday had to be cancelled due to a prior commitment for the pavilion.

Chaperones will be Mr. and Mrs. Harry Klump and Mr. and Mrs. Robert Eagleton.

emphasize in ourselves and our children is moderation.

Of course, summer or winter, we parents have the major place at promoting more emotional poise in the nervous child. Our first problem is to work on ourselves. We need to discipline ourselves to relax and loll. Just as we can't keep secret our own jitteriness so we can't hide our own serenity. We reveal in our movements, our demeanor, our breathing, our voice and entire personality our own emotional state. Just the warm weather of summer should favor our own efforts to calm down.

interesting. Many of these same people were in despair in 1932 and '33, uncertain whether they would ever regain their wealth and prestige. You can make a good case for saying that they were saved by the New Deal and that you never quite forgive your rescuer. This is not said to condone those who, like Henry Julian Wadleigh and Whittaker Chambers, have confessed to willful treason in that era. That is the tragic enigma. How, even under the stresses and strains, the uncertainty and insecurity of that time, could young men sharing the advantages of the society in which they lived deliberately plot against it.

**Change In Climate**  
It is a measure of the change in climate that has occurred in a few short years. From 1934, when he went into the New Deal, through Yalta and the early phase of the United Nations, the defendant was the confidante and trusted adviser of the top men in government.

They worked with him from day to day. He and his wife were on friendly terms with them and with their families. They admired him as one of the eager, willing, idealistic young men attracted to government by the crisis of the depression.

This is just where prejudice seems to me most harsh and unjust. Those who take Hiss as a symbol and who have already pretended to forget that era of the 'thirties when in the wake of collapse and bankruptcy the very foundations of our system seemed to have given way.

**CROSS**

If baby is cross, Mom is worried. She tries to find out what is wrong.

Sometimes Dad is cross and Mom is worried then too.

A cross eye should be investigated as soon as possible.

Perhaps the best plan is to consult the family doctor first. His advice will be helpful. He will know what to do about it.

Often times if a cross eye is neglected there may be permanent loss of sight.

Sometimes Mom may not notice it but the neighbors do. Maybe it is not noticed till the teacher finds out about it.

Perhaps a well meaning friend

may advise to wait a few years and the eye will straighten itself.

Now is always the best time to have an examination.

**Stealing \$19,000**

READING, Pa., June 24.—(INS)—Mrs. Rose Marie Lee, 64-year-old housekeeper, admitted stealing some \$19,000 in cash from the home of her employer, police said Thursday.

Mrs. Lee, a widow, had been working since June 7 for Mr. and Mrs. Walter S. Adams, according to Detective Lieutenant Albert Hoffman. He said all the money was recovered.

Hoffman said the woman confessed taking the money from a metal box hidden in a paper carton in a closet. No formal charges have been placed as yet.

Graz and Koenigsee, St. Wolfgang and Fuschl—all places of surpassing beauty which could help in making Austria an international oasis of friendship and progress between East and West.

Austria has known such greatness in the past. Vienna always has been known as the gateway to and from the Orient, and as one drives eastward through the countryside there spring into view bulbous-topped church spires that might have come straight from Moscow.

Having survived wars and Hitlerism, Austria may be marked for a grand new destiny. Perhaps the East and West, having tired of futile bickering, may one day shake hands in friendship on the Ringstrasse in Vienna's heart.

At St. Margaret's Society;  
Program Held**

Rev. Fr. Domenick Lombardo of Italy, who is visiting in this country, and is at present house guest of John Peluso, 1514 Highland avenue, was honored Wednesday evening at a dinner given by St. Margaret's society. Approximately 600 attended.

The event was held in the club rooms, seventh ward. A large turnout was present and the chicken dinner was served at 6 o'clock. Rev. Fr. Sebastian Ippolito gave the invocation.

Toastmaster for the occasion was W. F. DeCarbo. He introduced the various speakers who represented Italian-American organizations of the city and county: Guy Masone, Angelo Giocochi, Jerry Frasso, Louis Gaspare, Anthony Sacco, Alfonso Scarazzo, John Peleuso and Bart Lombardo.

Rev. Fr. William Garafalo, Rev. Fr. S. Ippolito and Dr. F. C. Ferrante, the latter of Pittsburgh, were guests. Mr. and Mrs. C. Scaglione and Orlana Caiazzo, the latter of C. W. V., were guests.

Rev. Fr. Lombardo was the principal speaker. He said in part that he feels that America was like home for three-fourths of the Italian people lived here and were good American citizens.

"Although the people of Italy are poor in money," he said, "they are rich in character and morale. Italy today is one of the cogs in the big wheel that is doing much to keep communism down in the world."

Rev. Lombardo received many gifts later. Nick Perrotta was in charge of arrangements and he was assisted by a committee.

**Splendid Pet Show  
At Ward Playground****Large Number Of Entries. Much

Leads Parade**

Many of the folks of the ward were aghast with interest in the pet show on Tuesday afternoon as part of the activities of the playground. It was the annual pet show.

The children paraded with their pets, along several streets of the ward, headed by a number of members of Mahoning School band, in charge of James DoVidio.

Miss Gerry Ginsberg, one of the supervisors, reports that first prize was awarded to Frances Snyder for her pet dog, dressed up like a clown; second prize was captured by Donna Jean Rainey, with her rat terrier, bedecked with yellow ribbon; third prize was won by Terry Stone with his entry of his bird dog, named "Satan." There were a large number of entries for the occasion.

The most unusual entry was a pet crow, belonging to Bill Perod. The smallest was by Carol Fry, which was a tiny turtle. Largest entry was a Doberman Pincher dog, by Harry Senheiser.

Much of the success of the occasion was due to the splendid co-operation of Harry Senheiser.

Judges were Mrs. Ann Mairano,

## Committee Permits Aide To Accept Argentine Award

### 125 Officers And Enlisted Men Awarded Medals By Foreign Governments

WASHINGTON, June 24—(INS)—A House Armed Services Subcommittee reversed itself Thursday and voted six to one to permit Major General Harry H. Vaughn, President Truman's military aide, to accept a medal from Argentina. Rep. Norblad (R) Ore., objected, expressing the view that an American official so close to the President should not accept a decoration from Argentine President Juan Peron.

Vaughn's name was included in a list of about 125 officers and enlisted men who were awarded medals by foreign governments. Under the Constitution, they cannot receive them without Congress' consent. They are now being held by the State Department.

In addition to Vaughn, the legislation approved by the subcommittee permits 15 other American officers, including Army Chief of Staff Omar Bradley, to accept the Argentine decoration of the Order of San Martin.

The slogan, "Don't smoke in bed, that last cigarette may be your last cigarette," is displayed in many hotel rooms today.

## Girl Withdraws As Contestant In Beauty Pageant

WEIRTON, W. Va., June 24.—(INS)—An 18-year-old Catholic girl had withdrawn from the annual West Virginia "Miss North Panhandle" beauty pageant under threat of excommunication from the Roman Catholic church.

The girl, Miss Mary Jane Gallagher, was one of three Weirton girls entering in the contest to be held in Moundsville. Only Miss Gallagher is a Catholic.

She was notified by Rev. F. Edmund Weinheimer, assistant to Monsignor E. P. Murphy of St. Paul's Catholic church in Weirton, that participation in the event threatened her with possible ex-

communication by Bishop John J. Swint of the Wheeling diocese.

Another Catholic girl, Miss Marjorth Ford, entered the contest last year in defiance of Bishop Swint's threat of excommunication, and was selected "Miss Wheeling". She lost out in the state-wide contest.

Her exact status in the church, and the status of any other girl entering a beauty contest, could not be learned from Bishop Swint.

There were more than eight million volumes and pamphlets in the Library of Congress at the close of 1947.

## Two More Of Eight Fugitives Are Recaptured

CLARKSBURG, W. Va., June 24.—(INS)—Clarksburg police today reported the capture of two more of the eight fugitives from a West Virginia state prison camp at Clarksburg.

Nabbed last night in a stolen automobile which had stalled on the Clarksburg-Charleston highway near Sutton, about 90 miles south

of Clarksburg, were Orville Herbert Athey, 31, serving one-to-10 years for breaking and entering, and Chester Wilmoth, 23, serving one-to-10 years for grand larceny.

Athey was sentenced from McDowell county, and Wilmoth from Kanawha county.

The pair surrendered without a struggle to Sheriff Robert Carr of

Braxton county as they were trying to get the stalled car started again.

A fish with a head like a cat, what appears to be four legs with paws and claws, green eyes, and fur on its body, was caught by a woman in Hawksbury river, New South Wales, Australia.

# SOCIETY & CLUBS

## COUPLE TO MARK 50TH ANNIVERSARY

Mr. and Mrs. Carl McCready of 919 Croton avenue, will observe their fiftieth wedding anniversary on Tuesday, June 28.

They will hold "open house" at a reception in Croton Methodist church from 2 to 4 in the afternoon and 7 to 9 in the evening.

Mr. and Mrs. McCready are the parents of three children, T. E. McCready, Mrs. H. E. Emery and Mrs. H. M. Wilson, all of New Castle. They have nine grandchildren and three great grandchildren.

### T. E. D. Club

Miss Esther Brundert, R. D. 4 received the T. E. D. club Thursday evening and card playing was the main pastime.

High score trophies were captured by Mrs. Edwin Hoyland, Mary Shaffer and Mrs. Charles Key.

At an appointed hour, the hostess served a delicious lunch with the assistance of Mrs. Charles Key, the table being nicely arranged for the occasion.

July 21 is the next meeting at which time a picnic tureen supper will be enjoyed at the home of Mrs. Robert Hartman, R. D. 4.

### Busy Dozen Club

Members of the Busy Dozen club met Wednesday evening at the home of Mrs. Edward Malley, Federal street.

Meeting was the pastime and plans were made for a sunrise breakfast to be held on Tuesday morning.

Luncheon was served by the hostess and she was presented with the club token.

Mrs. Dominick Sylvester will be hostess to the group on July 6 at her home on the East Brook road.

### T. T. T. Group

Mrs. Clarence Park, 409 E. Worth street, was hostess to the T. T. T. group Thursday evening.

Following a short business meeting the evening was spent in hymn singing.

Mrs. Ed. Borger assisted the hostess in serving a tasty lunch. The latter was presented with a lovely gift from the group and Mrs. Borger received the "surprise" gift.

The next meeting will be in the form of a tureen dinner, to be held at Gaston Park on July 12, with husbands as guests.

### Eros Club

Members of the Eros club gathered at the residence of Mrs. John Young, Main street, Ellwood City, on a Tuesday evening.

The evening was spent playing bridge for which trophies were awarded to Miss Helen Hannon, Miss Virginia Munduri and Miss Mary Stoba.

The hostess served a delicious lunch.

The next meeting will be held at the home of Mrs. Frances Kenehan, 1007 Dewey avenue, on July 19.

### Amerita Club

Miss Angelina Iacobucci of 1012 Summit street entertained the Amerita club Thursday evening in her home.

Tables of cards were in play, high score prizes going to Mrs. Norman Cusino and Mrs. Mario Frabotta. The club token was captured by Mrs. Joseph Panella.

A dainty lunch was served later by the hostess, and she was assisted by her sister, Mrs. William Mazzuzzi.

July 7 is the meeting with Mrs. Rudy Eagan of Winter avenue.

## Continue Fund Drive For Hospital Among Some Employee Groups

With more than \$100,000 subscribed to the New Castle hospital building fund campaign from employees of business, industry and public service, meetings of employee groups are continuing today in an effort to boost the total subscriptions to the fund toward the \$700,000 mark.

Employees of more than 40 places of business and industry have been solicited to date. One of the latest plants to come into the "honor roll" of employees subscribing to the fund is the Standard Steel Spring Co., where employees subscribed a total of \$1,093 after it was announced the minimum goal had been exceeded. Included in the plants where employees have subscribed are the Johnson Bronze Co., Shenango Pottery and United Engineering and Foundry, the three largest New Castle plants.

### Some Not Reached Yet

While most of the employees of the larger plants have been solicited, there are many places of business that have not been reached as yet. Meetings are being scheduled in these places and solicitation is going ahead in others. "We want to give everyone an opportunity to do their share in this community project," said Judge John G. Lamoree, chairman of the employees division, today. "While it is true that the minimum goal has been passed, the \$595,000 set as the objective of the campaign is the absolute minimum needed to do the job. A much more complete program giving all of us the finest of health protection, can be put into effect if the total raised approaches or reaches the \$700,000 mark. The people of New Castle who have given thus far, have done a magnificent job. We are sure that those who have not yet been approached will want to do their share and have a distinctive part in achieving one of the greatest community victories in the history of New Castle."

**Liquor Monopoly Nets \$39,500,000 To State For Year**

HARRISBURG, June 24.—(INS) Pennsylvania's monopoly on the liquor-selling business netted the state \$39,500,000 in profits in the fiscal year ended May 31, the Liquor Control Board reported today.

In addition to profits, the board turned over to the state general fund \$18,955,218 yielded by the 10 per cent emergency tax and returned the \$15,000,000 revolving fund provided by the legislature to finance purchases. Sales during the 1948-49 fiscal year totaled \$206,912,950.

The total of \$58,455,218 of profits and taxes helps pay ordinary expenses of the state government, teachers' pay subsidies, public assistance and public health, mental and welfare programs.

The past year's total from the state's 582 state stores was \$2,146,000 higher than was chalked up during the 1947-48 fiscal year, the LCB stated.

### Strike Threatens Building Work In Pittsburgh

PITTSBURGH, June 24—(INS)

A strike of AFL bricklayers and teamsters today threatened to in-

terrupt all building construction in the Pittsburgh district.

The strike for higher wages has already idled work on three major projects. They are the new Duquesne Brewing Co. plant in South Side Pittsburgh; the Administration building of the Greater Pittsburgh Airport in Moon township, and the new Peoples Natural Gas Co. building at Cecil.

Construction work on several smaller projects and apartment houses have also been stalled.

**New Castle Man Has Been Aboard  
United States Carrier Since  
Commissioning**

Louis O. Clark, FCC U. S. Navy, son of Mr. and Mrs. J. T. Clark, R. D. 2, English avenue, New Castle, is one of the few crewmen of the USS Princeton who has served aboard the ship throughout its career.

The carrier, fifth in the line to bear that name, will go out of commission this month at Puget Sound Naval Shipyard in Bremerton, Washington. Clark is now assisting in the job of mothballing the gigantic warship.

Clark is what is called a "plank-owner" of the vessel. This term identifies those who were aboard a vessel during the original commissioning ceremony. The Princeton was commissioned on November 18, 1945.

His plank will be a splinter from her flight deck.

A graduate of New Castle high school, Clark entered the navy in 1936 and took his boot training at Newport, Rhode Island. He is at present assistant to the ship's gunnery officer in the maintenance and operation of fire control equipment.

Fliers Reported  
As Being Killed**

MIAMI, June 24.—(INS)—Four American fliers have been reported missing in Sunday's abortive invasion of the Dominican Republic.

The men reportedly were shot down by a government gunboat while they were trying to take off from the Bay of Luperon after unloading an invasions cargo.

The Miami Herald reported that the American embassy at Ciudad Trujillo identified three of the fliers said to have been killed as John Chevning, 38, Habet Maroot, 28, and George Shruggs, 27, all of Miami.

The newspaper said it learned of the deaths of the four Americans in a telephone interview with H. Ackerman, American ambassador in Ciudad Trujillo.

ATHENS, June 24.—(INS)—Premier Themistocles Sofoulis died today at the age of 86.

His health had been failing since a series of heart attacks some months ago. But he remained at his post until his death.

The officers claim they caught Wimer shoving slips beneath the door of the Bessel shop in East Washington street. They seized and took him to police headquarters. They returned and arrested Bessel and Lombardi, who reportedly struggled with the officers.

The officers reported they found evidence in the form of numbers slips.

**PLACES \$300 FORFEIT**

Isaac Moses, South Mill street, was arrested by Detective Thomas Boyle and Cruiser Operator George Sigler shortly before noon today and charged with violating a city gaming ordinance, in connection with "numbers." He placed a forfeit of \$300 to obtain his liberty, pending a hearing.

They gave their names as Ronald Wimer, West Washington street; Phil Lombardi, Water street, and Peter Bessel, East Washington street.

## Babson Continues To Discuss Stock Market

By ROGER W. BABSON  
Copyright 1949-1950 by Financial

Bureau Incorporated  
NEW YORK CITY, June 24.—I am making no recommendations in this column this week, but my thoughts are something which readers can seriously consider. As there is no precedent for these thoughts each investor should decide the question for himself. I cannot take the responsibility on such an important decision.

Roger W. Babson  
Looking At Past History

It has been a truism of the stock market from time immemorial that "stocks all go up and down together". This means that operating "selective markets" has not been a very safe procedure during the past. One is justified in buying for income only, without paying any attention to price changes; but if prices are to be considered, then you can usually make a profit by buying anything blindly in a bull market or be fairly sure of a loss by buying anything—including gilt edge stocks—in a bear market.

When studying past history we should recognize that the market prior to 1933 was under no U. S. control. Leading up to 1929, for instance, most of the stocks in brokers hands were held on a margin of from 10 to 20 per cent. Then almost every elevator operator and stenographer of the Wall Street district had stocks on a 15 per cent or less margin. Hence, when the crash came, it was natural for all stocks to fall because people had to sell their good stocks when buying to protect their poor stocks.

**Conditions Today Are Different**  
During recent years margins of 75 per cent have been required. Now margins of only 50 per cent are required, but I am told that stocks today are either owned outright or held on a margin of about 70 per cent. There has been very little buying since the margin requirement was reduced, as transactions have been largely for cash. Certainly, no elevator operators or stenographers now hold stocks on margin. This means that conditions are very different today. The \$64 question is whether these changed conditions change the old rule: "stocks all go up and down together."

If these changed conditions should change this old rule it is possible that certain stocks have already reached their low point in this bear market. This would mean that instead of watching just the Dow-Jones Industrial Average, which has gone down from a high of 212 in 1946 to a present figure of around 165 and which could go very much lower, it might be well to watch individual stocks. Instead of all stocks hitting the bottom at about the same time, as they did in previous bear markets, different stocks may be hitting their bottoms at different times, extending over a period of a year or more.

**Market Comparisons**  
Cutting off the extreme peaks of 1929 and the extreme lows of 1932 which lasted only a few weeks and

## Demand Light Yet For Petitions

Saturday First Day To Get  
Signatures To Petitions  
For Nomination

### OTHER EVENTS IN COURT HOUSE

From the number of nominating petitions asked for in the board of elections office, the list of candidates for the September primary looks to be light.

Saturday is the first day to get signatures to petitions for party nomination but only a few petitions have been taken out. Those who have taken them out thus far are persons who have been known candidates for some time.

Thus far there appears to be the likelihood of only two candidates for the Republican nomination for sheriff, district attorney and register and recorder. Several petitions have gone out for councilmanic nominations. It appears probable the Democrats will name only one candidate for each office.

To be nominated are a sheriff, district attorney, register and recorder, two jury commissioners, two city councilmen, city controller and four school directors.

**DRIVeway ARGUMENT**  
In an equity suit filed in the office of the prothonotary and clerk of courts, Carrie V. Hunt, David and Mildred Haybarger ask that they be permitted to continue using a driveway on their properties in the third ward.

They ask that John Dages be enjoined from blocking a driveway they have used since 1919. Their claim is that the deed of Mary Robison provides an eight-foot easement but that Dages has blocked it with stones and intends building a garage upon it.

**TAX CARDS MONDAY**

County tax cards will be in the mail Monday. A special corps of clerks has completed the addressing of thousands of the cards and they will be dropped in the mail sometime Monday, County Treasurer Don I. Neal says.

Syria Temple At Pittsburgh To Have Meeting On Building Addition To Mosque

Announcement has been received by local members of Syria Temple, A.A.O.N.M.S., at Pittsburgh, of a business meeting which will be held on Monday evening, June 27, when a vote will be taken on expending a large sum of money for additions to the Temple.

A great deal of interest has been manifested in the proposal by members of Lawrence Caravan in New Castle, President Paul M. Pattison stated today, and a large attendance of the local members is indicated.

The monthly meeting Lawrence Caravan will take place on Tuesday evening, June 28, in the West Dining Room of the Cathedral. Mr. Pattison also announces, and lunch will be served at the close of the meeting.

To Denis Papin, a French physicist — 1647-1712 — belongs the honor of having first constructed a steam engine with a piston.

They ask that John Dages be enjoined from blocking a driveway they have used since 1919. Their claim is that the deed of Mary Robison provides an eight-foot easement but that Dages has blocked it with stones and intends building a garage upon it.

**TAX CARDS MONDAY**

County tax cards will be in the mail Monday. A special corps of clerks has completed the addressing of thousands of the cards and they will be dropped in the mail sometime Monday, County Treasurer Don I. Neal says.

# PRE-MARKET CLEARAWAY

SATURDAY-MONDAY-TUESDAY

A large percentage of the furniture and fabrics sold by Frew's is special ordered to the customer's selection and specifications—thusly assuring individuality in the delivered product and eliminating the warehousing costs which are usually included in the price of furniture.

To make this service possible requires a large sampling of styles, finishes, and fabrics. For fifty years it has been our policy to re-style the merchandise on our display floors twice a year, January and July, at the New York, Chicago and Grand Rapids markets. Sifting through the many market presentations, we buy what we think will be attractive to you, in your home, and to fit within the limits of your individual budget.

New merchandise requires display space and a subsequent reduction in our present stock of samples. To speed our stock reduction we have listed below selected items from all floors at a discount ranging from twenty to forty per cent. None of this merchandise is distressed or shop worn. All of it is from America's finest factories and carries both the factory and Frew's guarantee of quality.

If you have been waiting to purchase really good furniture at below established retail prices—this is indeed your opportunity. (This advertisement will be posted throughout the store that you may identify the listed articles.)

## Woman, Allegedly Kidnapped, Being Held; Questioned

Louisville Police Try To Untangle Mess Of Conflicting Stories Of 'Kidnapping'

LOUISVILLE, Ky., June 24.—(INS)—Louisville police held \$22,000, a woman and two men today and tried to untangle a mess of conflicting stories about their relationship.

The woman, Mrs. Molly Sugar, 39, a Texas broker's wife, told authorities the two men had kidnapped her in her Dallas home two months ago and forced her to accompany them on a cross-country trip which cost her "thousands of dollars" of her husband's money.

The men, Donald H. Brown, 20, and Clarence F. Anderson, 30, of Dallas, denied Mrs. Sugar's charges. They said she went with them willingly.

Mrs. Sugar walked into police headquarters Wednesday to report the alleged kidnapping. Police found Brown in a cafe, but Anderson fled. He was taken into custody yesterday.

Texas officers told Louisville authorities both men have police records and Mrs. Sugar has a record dating back to 1935 when she was charged with hiring a man to kill her mother-in-law, Mrs. Rose Sugar.

Mrs. Sugar and the men are held on a vagrancy charge pending arrival of Dallas authorities. In Dallas a charge of burglary was filed against Mrs. Sugar yesterday in the \$3,000 1948 robbery of a Dallas home.

At the request of Mrs. Sugar, Louisville police searched a new car the trio had left near a tavern and found \$22,000. She said the men had forced her to spend "thousands" of dollars of her husband's money during the trip.

## Youth Killed As Motorcycle Hits Parking Meter

MOUNT PLEASANT, Pa., June 24.—(INS)—Eighteen-year-old Robert Blair, of Mount Pleasant, died today in the Frick Memorial hospital of injuries suffered two hours earlier in a motorcycle accident.

Police said the youth sustained multiple injuries, including a fractured skull, when the motorcycle went out of control as he attempted to turn a corner in downtown Mount Pleasant.

The vehicle crashed into a curb and struck a parking meter.

## Margaret Rose Puzzles Gossips

Musical By-Play Of Margaret Rose And Young Blanford Causes London Gossip

LONDON, June 24.—(INS)—London gossips were having a field day today over some meaningful musical by-play involving Princess Margaret Rose and the handsome Marquess of Blanford.

It happened last night at London's swank society restaurant.

Margaret, King George's 18-year-old daughter, was dining with her new boy friend, Peter Ward, and two other friends. Two tables away, young Blanford—who for several months was Margaret's most frequent escort, but of late hasn't been seen with her—was with a party of eight.

The princess whispered something to the orchestra leader, whereupon the musicians crowded around the marquess' table and played "Happy Birthday."

Then it was the marquess' turn. He sent the orchestra to her table, where they played the French melody "Clop Clop Clopan," the first line of which is:

"I walk alone with a heavy heart."

Margaret blushed, and then laughed.

Today, the London upper crust is piecing together the incident putting particular stress on the fact that the marquess hasn't been seen with Margaret of late, and that whenever they meet at a social spot he watches her incessantly.

But what's especially puzzling to the speculators is that it wasn't his birthday.

Badges and certificates have been awarded to all who have passed certain minimum requirements during the instruction period. The awards are made at the bean dinner which traditionally marks the close of the early summer program.

Assistant Athletic Director James Pears had charge of the learn-to-swim program. Other instructors included Harold Pears, Howard Wheale, Arden Parks and Johnny Thompson.

The instruction offered was that devised by the national Y. M. C. A. aquatic program.

## Part Of "Learn To Swim" Class At Y. M. C. A.

—New Castle News Photo

Non-swimmers in one of the Y.M.C.A. swim classes splash and cheer lustily during one of their free swim periods. These boys are only part of the large number that are taught to swim each year by instructors at the Y.M.C.A.

More than 150 boys have completed a two-week "learn to swim" course at the Y. M. C. A.

Ten sessions of approximately one hour each were devoted to all comers during the past two weeks.

The boys did not have to be members of the Y. and the services of the competent instructors and pool facilities were offered free.

The program is part of the Y. M. C. A.'s service to the community.

Contests were featured and prizes were awarded to Mrs. Edward C. Hoffman, Mrs. William J. Maitland and Mrs. Darrell W. Gould.

Co-hostesses at this time were Mrs. Joe Butia, Mrs. Walter Evanski, Mrs. Harry L. Snyder and Mrs. John T. Palmer.

The majority of the group planned to become members of the Y.W.C.A.

The next meeting will be on July 21 at the Y.W.C.A., hostesses to be Mrs. D. Gould, Mrs. Edward Hoffman, Mrs. Harrison Ippolito and Mrs. William Kleckner.

Badges and certificates have been awarded to all who have passed certain minimum requirements during the instruction period. The awards are made at the bean dinner which traditionally marks the close of the early summer program.

Assistant Athletic Director James Pears had charge of the learn-to-swim program. Other instructors included Harold Pears, Howard Wheale, Arden Parks and Johnny Thompson.

The instruction offered was that devised by the national Y. M. C. A. aquatic program.

# Installation At St. Mary's Church Will Be Sunday

Rt. Rev. Msgr. Alfred J.  
Heinrich, Chancellor  
Youngstown Diocese  
To Speak

MSGR. A. J. HEINRICH

Formal installation of the thirty-five officers of the St. Mary Holy Name Society who were elected at the Holy Name Communion Breakfast on May 12 in the Cathedral, will take place in the Sanctuary of St. Mary Church Sunday evening, June 26th at 7:45 p.m., with Rt. Rev. Msgr. Alfred J. Heinrich, S. Th. D. Chancellor of the Youngstown Diocese presiding.

Installation begins with the triumphal procession of the choir boys, altar boys, torch boys, the clergy, the Rt. Rev. Msgr. with attendants, and the thirty-five-newly elected officers in formal evening attire, from the rectory to the main entrance of the church. With full organ rendering the "Processional in Honor of Pope Leo XIII," the procession will proceed down the main aisle of the church and the participants will take their places on Pre-dieu in the sanctuary.

**New Candidates To Be Inducted**  
The induction of new members of the Society seated in the nave of the Church will then take place with the Rev. Fr. Francis P. King, Director of St. Mary Holy Name Society, receiving the new candidates' pledges and granting them the Holy Name insignia entitling them to all the spiritual benefits of the Society. The insignia will be solemnly blessed by the Rev. Fr. Francis M. McCarter, pastor of St. Mary Church, and honorary president of the Society.

**Installation Of Officers**  
Thirty-five newly elected officers will then take the oath of office and be inaugurated to their respective offices according to the ancient ritual of the Holy Name Society, with Rev. Fr. Francis P. King accepting the pledges and conferring upon the officer's insignia of authority and delegation. The installation begins with the seating of the following executives who will be placed over the many fields of endeavor sponsored by the Holy Name Society.

The executives are: Bernard N. Hanlon, John A. Newman, William Howley, Edward A. Lynch, Sr., Daniel Hannon, Thomas Flanagan, Carl A. Bowen, Richard Doonan,

Richard Burke, Patrick J. Dougherty, John J. Burns, Jr., William A. Carlin, Norbert M. Fellers, James A. Flynn, Robert Hartsuff, Jr., Joseph Heaney, Cletus Martin, Patrick A. McCarr, Oscar Murphy, Sr., Anthony Snyder, Joseph Hanlon and William O'Loughlin.

The fields of endeavor directed by them are: History, Roster, Speakers, Vigilant, the Blind, the Needy, the sick, the dead, Music, the Juniors, the Seniors, the Students, the press, the social, the candidates.

Judiciary Officers to be installed are: President, R. Emmett Dagnon; first vice president, John J. Maher; second vice president, James A. Carey; third vice president, Lawrence A. Hart; secretary, James E. Logue; treasurer, Ambrose Ryan; Marshalls: Raymond Doran and John A. Meehan, Jr.; Delegates: Vincent Wadlinger, William L. Strawbridge, Matthew Curtis.

Following the installation of the officers, the beautiful, although singular and unique, solemn Holy Name Hour of purification and atonement will take place with the Rev. Fr. Francis M. McCarter as celebrant, the Rev. Francis H. Gallagher as deacon, the Rev. Fr. John A. O'Rourke as Sub-Deacon, and the Rev. Fr. Francis P. King as head master of ceremonies, assisted by Robert Snyder and Robert Suer as assistant masters of ceremonies.

## Holy Hour

The Holy Hour will open with the exposition of the Most Blessed Sacrament, encased in the golden ostensorium, placed high above the tabernacle. There it will rest for the adoration of the faithful. The exposition hymn will be the ancient sacramental hymn, "Panis Angelicus" sung in its original melody by the chantors and the schola. The music, with Mrs. Josephine Huntley at the console of the church's great organ, will consist mostly of the ancient Gregorian chant sung by the senior male choir of the Holy Name Society.

The "Pater Noster" will be said. The Grand Canyon in some places descends from 4,000 to 5,000 feet below the surrounding plateau.

**"Assignment; America"**

By INEZ ROBB

(Reg. U. S. Pat. Off.)  
(Distributed by International News Service)

WASHINGTON, D. C., June 24. — A Mr. Harry Truman has kindly helped me toward the realization of a life-long ambition.

I have always hankered to be a guest at an American embassy on trips abroad, as I find commercial hotels so frightfully, frighteningly commercial, meaning they expect to be paid.

And now Mrs. Perle Mesta, newly-appointed minister to Luxembourg, says she will not only put up with me but will put me up in the embassy vanguard when I come that way.

**Open Door Policy**

Mrs. Mesta, whose open-handed hospitality has made her the social queen of Washington, intends to maintain the same open door policy in Luxembourg, she says.

"The embassy is a perfectly beautiful house, dear," trilled Mrs. M., the Oklahoma City girl who left the reservation to make good in New York, Newport and Washington, D. C.

"You mean you've seen the embassy already?" I asked.

Mrs. Mesta, taking a large swig of ice water, looked at me patiently and muttered something, I think, about not having purchased a pig in a poke in her life.

"It is a perfectly beautiful house on a cliff above Luxembourg. Looks like Indiana limestone," she volunteered, and in her mind's eye, I could see the new minister was already hanging up the Japanese lanterns, counting the folding chairs and taking inventory on the punch bowl.

**Grave Injustice**

Anyone who thinks that Mrs. Mesta is the duly nominated minister to Luxembourg simply because she has fed the right people in Washington, voted for the right presidential candidate and contributed to the right party is doing both Mrs. M. and Mr. Truman a grave injustice.

Both Luxembourg and Mrs. Mesta are up to their respective plimsoil lines in steel. The country of her new diplomatic post, Mrs. M. informed me, produces one-seventh of the world's steel output.

"Ten tons per annum per citizen," she said. "Bet you didn't know that before."

Mrs. Mesta, a handsome, affable blonde, does not own all of Pittsburgh. That rumor is false. There are some outlying districts and a

**Piano Students Present Recital**

Miss Virginia Woods presented the eighth annual concert of her students of the piano Wednesday and Thursday evenings in the East Lodge room of the Cathedral.

Jon Carlin, M.M., of the piano faculty of the Philadelphia Conservatory of Music assisted in performing orchestral accompaniments to piano concerti played by Marcia Jeanne Acquaviva, Suzanne Blau, Miriam Blau, Audrey Hecker, Marmee Houk, Betty Klenot, Geraldine Presciano, Margery Sheppard, Sylvia Turco and William Vogan.

Piano solos were played by the following:

Judy Allen, David Matthews, Charlotte Lewis, Dick Flannery, Jack Flannery, Virginia Jenkins, Wayne Cunningham, Ann Schooley, Jane Domini, William G. Gandy, Sam Dickson, Russell Bryan, Joyce Lewis, Emily Robertson, Carol Joseph, Janice Kas, Smith, Judith Cunningham, David Perry, John G. Gandy, Nannie Audia, Frances Fee, James Scocchia, Cynthia Picaro, Norma Baum, Barbara Gandy, William Mooney Jr., Samuel Shrefler, Mildred Gandy, Sam Perry, III, Janice De Vivo, Francis Audia, Judith Scocchia, Elaine McClinton, Lee Conner, Vivian Coates, Max Field, Jacqueline Gandy, Joanna Audia, Jeanne Byers, Dick Cunningham, Jonathan Tucker.

Deback, Deane Driggs, Harriett Smith, Carol Grannis, Frances Grossman, Patsy Audia, Patricia Fee, George Forster, Gertrude Marichando, Shirley Marichando, Rose Marie Marichando, Carol Allen, Rose Marie Zajac, Marilyn Allen, Virginia Rogers.

Hostesses for Wednesday evening were: Mrs. Robert Houk, Mrs. Paul Laurell, Mrs. Thomas Shrefler and Mrs. Samuel Perry Jr.

Thursday evening's hostesses included Mrs. Wilbur Flannery, Mrs. Jonathan Tucker, Mrs. Melvin Smith, Mrs. John Byers and Mrs. Mont Blau.

—

The rest of the diplomatic business she is willing to learn. But Mrs. Mesta hopes that the present staff in the Luxembourg embassy will stay put.

Let's the country worry about any deterioration in our affairs with Luxembourg. Mrs. Mesta takes her new post very seriously.

She did not seek the appointment, she said gravely, and has accepted it only because she thinks women ought to be more active in world affairs when they have the chance.

**Advancement For Women**

"It would be a lot easier to stay in Washington, and I'd have a lot more fun," she added, "but I think this post is an advancement for women and I ought to accept it."

Some of Mr. Truman's recent appointees, notably Mon Wallgren have run into confirmation cramps or Senate trouble. But Mrs. Mesta is blithely confident she will not have any trouble with the senators, scarcely a one of whom is now alive but has enjoyed bounteous hospitality at the Mesta board.

She has fed Republicans and Democrats with lavish impartiality.

She has ordered up the imported champagne for the Republicans when she might just as well have given 'em domestic.

If Mrs. Mesta encounters some trouble it will be sheer ingenuity—or else enlightened self-interest on the part of a lot of the nation's senior statesmen who want to keep in Washington the capital's most generous supplier of free beer and board.

## Philadelphia Boy Pushed Out Window Of Pittsburgh Hotel

Has Argument With Man Dressed  
As Soldier Who Has Dis-  
appeared

PITTSBURGH, June 24.—(INS)—A Philadelphia boy told police he was "pushed" out the second floor window of a Pittsburgh hotel early today.

Police identified the victim who suffered a back injury, as Ernest A. Debellis, 19.

He registered at the hotel as Ernest Ellis.

Police said Debellis reported he had an argument with another man, registered as Joe Pelchay. The hotel manager said Debellis fell about a half hour after the two men registered this morning at 7:30 a. m.

Pelchay, who police said disappeared, was dressed in a soldier's uniform, according to the hotel manager, but wore no tie.

Police said they found a sales slip from a Detroit radio shop in the room. It showed a sale to Ernest A. Debellis on June 9. There was also a bus ticket from Detroit to Philadelphia.

Debellis told police he served 17 months in the army at Camp Pickett, Va.

## First U. P. Pupils Show Good Progress

Varied Program Offered At North  
Hill Daily Vacation Bible  
School

Thirty-nine teachers and assistants have combined to give two weeks of happy profitable instruction to 175 children of the North Hill in the First U. P. daily vacation Bible school with Mrs. William H. Stewart the superintendent.

So that each child may receive individual instruction, the Bible study hour has been departmentalized so that each group of 12 children has an adult teacher and a high school assistant.

The beginners' department has

Barbara Jackson, Evelyn Spears, Nancy McFall, Roberta Spears, Rebecca Morgan, Betty Shaney, Beverly Polley and Patty Bush.

In the intermediate department, 15 children were registered, with Mrs. Earl Ruby and Mrs. Jacob Jordan, superintendents.

Each morning at 10:30 o'clock the children gather for a group assembly for cartoon comedy movies and refreshments, provided by the Lockhart Bible class under the supervision of Mrs. Charles McNickle and served by high school girls under the leadership of Mary Ann Johnson.

The children have undertaken a project with the daily offerings which they bring to provide a combination strip film and slide projector for the Bible school.

Each morning, July 1, On Thursday, June 30, at 8 p. m., the children and teachers will present a program and exhibition of their

work for benefit of the church, parents and friends of the North Hill community. A silver offering will be collected to help defray the cost of the school.

## Turnpike Monopolies Will Meet Opposition

By JOHN HARMIS

(L.N.S. Staff Correspondent)  
HARRISBURG, June 24.—Opposition slowly took shape today against extending the service station and restaurant monopolies on the Pennsylvania Turnpike to new extensions of the toll road.

Standard Oil Company and Restaurant Howard Johnson hold exclusive right along the present 160-mile Irwin to Carlisle Turnpike.

Standard Oil obtained a 25-year lease on both restaurants and service stations in 1940 as high bidder on a package contract. The oil company sub-let the restaurant concession to the chain restaurant king.

Small businessmen, including sellers of petroleum products, restaurant organizations and hotel people, are known opponents to the monopoly. They say the toll road, as free roads, should be open to private enterprise.

## See Rough-Going

Private opinion in the ranks of the Pennsylvania Petroleum Association spells out rough-going for the Pennsylvania Turnpike Commission should it decide to dole out monopolies on the remaining portions of the 327-mile turnpike. Authoritative sources in the association predict the organization will take a strong stand on the matter at the June 20 board meeting.

Orion B. Landmark, executive secretary of the Pennsylvania Hotels Association, said his group has been dead set against the turnpike in general because it would "shoot tourists and sight-seers through the state before they got a chance to see the sights" and spend money in Pennsylvania communities.

Landmark said the association has "proof positive" of the damage to private hotel and restaurant business the toll road has caused. Business is good only in one community, Bedford, he said.

"When the turnpike was completed much traffic was taken away from other main arteries of transportation and hotel business and tourist trade in general in many communities suffered," he declared.

## Future Plans Uncertain

T. J. Evans, turnpike commission chairman, said the commission was "well satisfied" with the way the service stations and restaurants

were being run on the Irwin-Carlisle toll route. He said, however, the commission had no idea at present how concessions would be handled on the turnpike legs now under construction.

Evans said all construction contracts for the western and eastern extensions would probably be awarded by July's end. Methods for distributing concessions would not be decided upon until "some time next year."

Several plans have been brought before us," he declared, "but we have considered none of them. We first want to get out of the way the construction contracts. Consequently we don't know whether concessions will be let on a lump service station-restaurant contract basis or what method will be used."

### Resources Map Is Issued By State

HARRISBURG—Publication of the first complete state natural resources map is announced by Secretary of Internal Affairs William S. Livengood, Jr.

The map is a pioneer achievement," said Secretary Livengood, "showing all the known sources of natural wealth in Pennsylvania—plants, animals and minerals—products of mother earth.

"It was achieved through the cooperation of the department of internal affairs, the department of commerce, the department of mines, the department of agriculture and the school of mineral industries of Pennsylvania State College. It will be distributed through these agencies and intended for use in schools and colleges, as well as by business and industry. It is the most comprehensive map of its kind ever made and inquiries from other states indicate it may point the way to an atlas of the natural resources of all the states."

Secretary Livengood said that much credit goes to Dr. Edward Steidle, dean of the school of mineral industries, for inception of the idea and interest in its development.

## THE FAMILY SCRAPBOOK

By DR. ERNEST G. OSBORNE

Using Children's Records

In the last few years there has been a flood of good records for children put on the market. One of the most popular monthly "clubs" has distributed hundreds of thousands of records made especially for youngsters.

When you and I were children our parents relied largely on books, paper dolls, drawing, and a few other types of activity for the quiet times that all children should have. Today records can play their part.

Though at first some parent supervision in using records may be wise, before long even young children can be relied on to play their own. Nor will they find their favorites only among the records made especially for them. Mature musical selections of great composers are often high on the child's lists of best-liked records.

In some families selected records are used at rest time with good effect. Children who resist naps will lie quietly listening to some of their favorite music. Records are also useful on rainy days. One art teacher I know has used certain musical selections to help children develop their art work. She puts on a record and suggests that the youngsters use their crayons or paint brushes in rhythm with the music. Surprising results are obtained.

## Pittsburgh Fans Raving About "Bingo" Restelli

Former Coast League Star Slugger, Has Hit Six Homers For Pirates; Cost Club \$65,000 And Two Players, But Is Well Worth It, 24 Years Old.

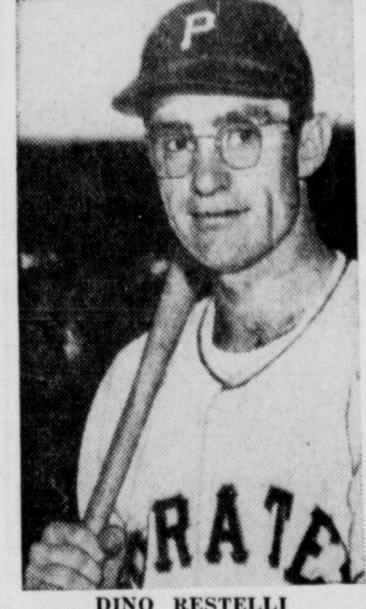

By TROY GORDON  
(International News Service Sports Writer)

PITTSBURGH, June 24.—Dino (Bingo) Restelli is a "sweet, congenial young gentleman" who is kind to his father.

He also promises to be quite a slugger for the Pittsburgh Pirates.

Restelli, a quiet, 24-year-old Italian, burst upon the National league scene unannounced 10 days ago and proceeded to become a sensation.

The "sweet, congenial young gentleman" description came from Mrs. Viola (Mom) Daniels, moth-

DINO RESTELLI

er of five daughters who has "adopted" the Pirates. She is Restelli's landlady in Pittsburgh.

He proved he is kind to his father by announcing in advance that he would hit a home run for his pop on Father's Day—and do it.

And his record with Pittsburgh after a short stay establishes him as a threat to the peace of mind of all opposition pitchers.

The Pacific Coast league product has made the Pirate fans forget their favorite team is floundering in seventh place.

His six home runs in his first 10 games had the supporters and writers talking about "another Joe DiMaggio". (As a matter of fact, he looks like Dominic DiMaggio, even to the spectacles.)

### Too Early to Tell

Of course, it's too early to tell for sure that Restelli will rewrite any baseball history.

But everyone from Mom Daniels to Manager Billy Meyers foresees a successful future for the young Californian.

Restelli was purchased from the San Francisco Seals for some \$65,000, a minor league player and the services of Pitcher Hal Gregg, whom the Pirates sent to Frisco on option.

Dino made his first appearance in Forbes Field June 14 against Boston. He went hitless in four trips.

The next day he hit two home runs and a single and batted in five runs as the Pirates staged a rally to overcome a five-run deficit and win.

The righthander has gone hitless only once since then. In all, his record for the first 10 games reads:

Fourteen hits, including six home runs and two doubles, in 40 times at bat, and 12 runs batted in. His average is .350.

Of those home runs, by the way, four of them have been out of the park, and only two landed in Greenberg Gardens.

Wednesday was a good example of how his slugging can ignite the sometimes lifeless Bucs. In the first inning against Philadelphia Restelli slammed a homer to tie the score at one-all. The Phillies went ahead by a tally, but on his next trip to the plate Dino hoisted another four-bagger with one on—and before that inning was over Pittsburgh had scored seven runs.

### Long Way To Go

Restelli is not misled by his impressive start.

"I know I have a long way to go," he said.

He's been patrolling right field

for Pittsburgh, and doing very well at it.

He denies the report that he has a sore arm and says he never had a sore flipper in his life and doesn't plan to get one now.

Meyer describes him as a "good, sound ball player with a solid background in a triple-A league". Because of his speed, Restelli may be switched to center field when he's been around a while.

### Any Place

"That's all right with me," Restelli said. "I'll play any place Mr. Meyer wants me."

Dino has an extra-curricular assignment right now. He's quite a spaghetti eater, and Mom Daniels has him teaching her how to cook the dish Italian style.

NEW LONDON, Conn., June 24.—(INS)—Harvard's crack varsity crew, unbeaten this season, is favored to beat Yale in their grueling four-mile duel on the Thames river tonight.

This will be the 84th meeting between the two traditional rivals.

It is the oldest intercollegiate sporting event in the nation's history. Harvard has beaten Yale 10 straight.

place in the American league race to third, below the Philadelphia Athletics, who walloped the Chicago White Sox, 11 to 4.

Maurice McDermott, Boston Red Sox rookie from Louisville, held the St. Louis Browns to three hits and handed them a 7 to 0 pain job. He faced only 28 batters.

Indiana Shade Nats Cleveland held on to fourth place by shading Washington, 4 to 3.

The pace-setting Brooklyn Dodgers walloped Cincinnati, 7 to 2.

The St. Louis Cardinals made only two earned runs but beat the New York Giants 10 to 6.

Phils Trounce Bucs Warren Spahn of the Boston Braves defeated the Chicago Cubs 12 to 5 for his ninth win.

The Phillies trounced Pittsburgh 9 to 3. Rookie Dino Restelli of the Bucs hit his sixth homer in 10 games.

# New Castle And Vandergrift Open Two Game Series Here Tonight

## Joe Karakul Will Do Pitching, Nats Top Uniontown 10-5

New Castle and Vandergrift will open an important two-game series at Flaherty Memorial Field tonight at 8 o'clock.

The importance of this part—Vandergrift is fighting for the championship of the first-half, and are in third place, with a chance to climb higher, providing they can keep on winning.

### Karakul Will Pitch

Manager Billy Mongiello announced today that the newest addition to the pitching staff—Joe Karakul, the Cleveland "speedballer" will do the Nats pitching tonight. Karakul had a 9 and 3 record here with the Chiefs last year. Karakul was a big favorite here last year.

If Karakul is right tonight, and he reported in the best of condition, the Vandergrifts are in for a tough evening. He will have a much better team back of him than he had last year.

Vandergrift must win these two at New Castle to stay in the fight for the first-half pennant.

### "Giant Killers"

The Nats have assumed the role of "Giant Killers" have dragged the Erie Sailors down from second to fourth place and practically out of the race. They can do the same thing to Vandergrift too.

With a 10 to 5 win over Uniontown last night to spur them on, the Nats will be fighting hard to try and upset the Pioneers, who have delighted in making it tough for New Castle the past two years.

### Kiel "The Slugger"

In the event of good weather tonight no doubt a record crowd will turnout to see Karakul in action and watch the Nats as they make a concentrated effort to climb into seventh place in the standing. Herman Kiel, the home run slugger will be a magnet tonight that will draw the fans. Kiel the first-baseman has slammed ten homers for the Nats since joining the club on June 3. Kiel, a former Vandergrift star will be trying doubly hard to hit one over the fence against his former buddies.

### Face League Leaders

The Nats are in a position now to make it tough for the league leading teams—Youngstown, Johnstown and Vandergrift, in the next six days.

New Castle ends the first-half here June 30 and July 1, with the Butler Tigers. The second-half opens here July 2 with Oil City at Flaherty Memorial Field.

## County Medical Officers Called

Dragooned Into Service For Underprivileged Childrens Camp In State

### OTHER NEWS OF STATE AFFAIRS

HARRISBURG, June 24.—(INS)

—Physicians have not heeded the state health department's plea for their services at \$10 a day plus expenses in exchange for caring for underprivileged children during a two weeks summer encampment at Camp Penn on the Indianantown Gap military reservation. The department did not publicize it but only one valid application was received . . . forced to provide medical care, Secretary Norris W. Vaux has turned to the county medical officers and dragooned them into service . . . They'll be on hand during the encampment to care for the 2,500 children in the 14-16 age range from all parts of the state who will attend the summer camp July 14-18 . . . Two hundred thousand dollars has been set aside for this summer's encampment . . . The department had hoped to corral 25 physicians, five train nurses and several dental technicians for Camp Penn this year . . .

What did Governor Dewey say to Governor Duff when they met at the annual governor's conference at Colorado Springs, Colo.? . . . Reports indicated there was some tension but no discussion of politics started . . . Duff, the man who spearheaded the drive to balk the presidential nomination of the New Yorker at the Republican national convention, later was invited to luncheon by Dewey . . . Politics again was taboo . . . Dewey's invitation, a Colorado Springs informant said, was predicated on his titular leadership of the GOP even though he was defeated in 1948 for president . . . Duff may clarify the meeting upon his return to the state capitol although his interest in the U. S. Senate post now held by Democrat Francis Myers may preclude any

political discussion so as not to alienate any faction should he get into the race.

New mimeographed telephone lists for quick reference were prepared by the governor's office this week and distribution had started when it was discovered the name of a cabinet officer, 35-year-old Commerce Secretary Theodore Roosevelt III, had been omitted . . . The lists were recalled and the stencil corrected by eliminating the name of Walter D. Ross, veteran Commerce department publicist . . . Ross' name was in the exact position on the list where it was necessary to insert Roosevelt's.

U. S. Sen. Edward Martin's first-of-a-series radio address to his constituents embraced taxes and he predicted that 700,000 Pennsylvanians who were not forced to pay income taxes under the Republican-sponsored 1947 program will be returned to the lists if a new schedule is enacted by the Democrat-dominated 81st Congress . . .

Robert Johnson, president of Temple university at Philadelphia, is helping promote a drive to win public approval of Hoover commission reports urging economy in government . . . The organization, with headquarters at Philadelphia, is understood to be liberally backed with money from unknown sources . . . Johnson, who headed the state relief program for a time during the administration of Democrat Governor Earle, was active in the Republican campaign for Dewey in 1948.
